

What is the ChamberPAC?

The Hawaii Chamber Political Action Committee (ChamberPAC) was established to actively support state and local candidates who share the principles and priorities outlined in the Chamber of Commerce of Hawaii Legislative Agenda. Furthermore, the Hawaii ChamberPAC's mission is to, through the combined voice of business, support the nomination or election of officials and promote laws, at all levels of government, that advance and support business issues.

The Hawaii ChamberPAC is an independent, autonomous organization that is not affiliated with any political party or candidate. The organization is nonpartisan in its selection of candidates. ChamberPAC does not contribute to candidates based on their party affiliation or ideology. It contributes to those candidates who support issues and positions favorable to business and Hawaii's economy.

Why contribute to the ChamberPAC?

By supporting the PAC, you increase the business community's ability to advance economic growth and enhance the quality life for the people of Hawaii. Because the Hawaii ChamberPAC can contribute to the immediate environment in which you operate your business, we need your support today. The stakes are too high for the business community to play a passive role. Your support will help us elect candidates who understand the economic importance of a strong business climate.

How much can I contribute?

Total contributions by an individual or any other entity to the ChamberPAC cannot exceed an aggregate amount greater than \$1,000 for each election cycle. Please note that contributions that aggregate more than \$100 will show on the public site. Contributions are not tax deductible. Also, contributions from any person with certain contracts with the state, any of its counties, or any department or agency thereof, are prohibited.

How do I contribute to the ChamberPAC?

There are a couple of ways to contribute at this time:

1. Your dues will include a line item of a certain amount based on the size of your business. Write a separate check for this amount and send in enclosed ChamberPAC envelope. If you wish to add to the amount, you may do so. Contributions are not mandatory.
